1. BASKET OF KNOWLEDGE

- ❖ Students will make a pocket of any shape.eg basket,cup etc .
- ❖ Definition of Adjective will be written on the cutout in the front .
- ❖ 10 bookmarks will be made of any design on the top. eg (cartoon face ,fruit, vegetable etc) using one theme.
- ❖ Now an example of the Adjective will be written on each bookmark .

2. SMILEYS:

Smileys help to differentiate between various facial expressions. To make smileys cut circles either on a thin cardboard or a thick chart paper. Colour them according to wish and using a marker pen draw various expressions like happy face, sad face, angry face etc. paste a stick behind the face to use it as a stick puppet too.

Make the child speak few lines on each expression.

Please note the following:

- ❖ One is never alone with books. Sitting with a book we can go to far off places so motivate your child to read Hindi and English story books.
- ❖ Revise class work of all subjects.
